

Digihealth[®]

Innovating Solutions to Simplify Healthcare & Medicine Practice

Robust & State of the Art Solutions.

Designed with the Technology you love.

At DigiHealth, we regularly strive to become the number one developer in designing solutions for healthcare and medicine practise institutions around the globe. Fueled by an intuitive thinking and cross vertical designing capabilities, we at DigiHealth are pioneers at designing softwares that will meet your needs.

Hiren Popat.- Owner, Founder & CEO

Digify Software Pvt. Ltd.

We are DigiHealth

DigiHeath Private Ltd is the flagship offering under the Yamuna Group of Companies which was founded in the year 1997. Yamuna Group, since its inception has become a pioneer in the healthcare industry.

Today we are known globally for our expertise, industry knowledge and thorough analytical skills which enable us to design and create solutions that address any challenge you are facing in the Healthcare Industry of today.

DigiHealth is on a quest to make an impact and improve the lives of millions.

SEAMLESS CUSTOMER SUPPORT

With our 24 hour customer assistance, we are just one call away at anytime of the day. Our customer service representatives are well trained and experienced professionals who can address all your queries regarding our developments and effectively address them every time.

DREAM TEAM

DigiHealth gets its strength and vigour from its dream and agile team of designers, developers and creators, who strive daily to deliver the custom solutions you need for today and for tomorrow.

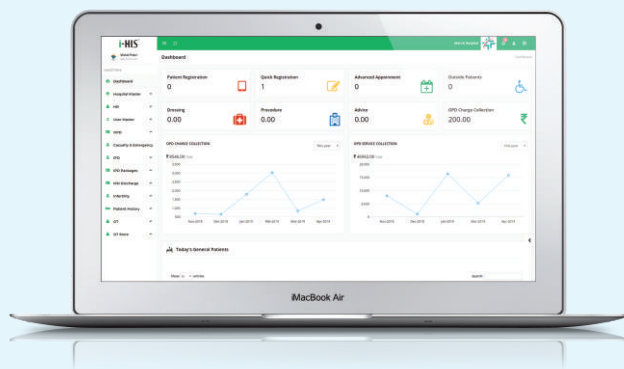

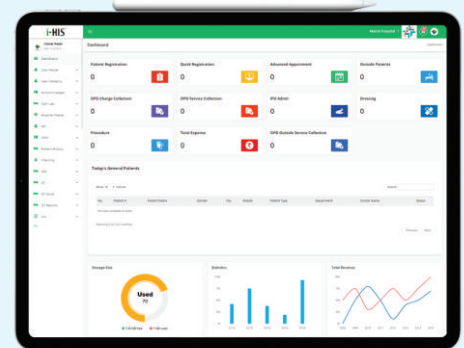

FASTER GO TO MARKET

In a world where challenges surface much faster than they can be addressed, the team at DigiHealth lives by a promise of designing solutions which have a faster go to market and speedy development.

OUR UNIQUENESS

STOP UNNECESSARY EXPENSES

We help you identify your needs and make you buy only that you need; no fancy big and costly versions!

PROFESSIONAL AND FRIENDLY TRAINING

This is key to any successful software implementation. And we are best at it!

INCREASE YOUR PRODUCTIVITY AND CUSTOMER SATISFACTION LEVEL

Discover new horizons for managing your patients and users.

STREAMLINE YOUR MANAGEMENT AND REPORTING STRUCTURE WITH MORE THAN 50 ADVANCED REPORTS

All the minute details of your organization will be at your fingertips anytime, anywhere.

OUR PRODUCTS

Cutting edge software to
simplify complex healthcare management

ihis™

ihis™ is our flagship offering which lets you manage everything you will ever need from one dashboard. Built for hospitals and medical institutions, ihis™ is an end to end management system, we have designed for addressing challenges of today and tomorrow. Keeping efficiency and flexibility at the core of the design process, with ihis™ you will never have to look for another hospital management system.

e-Clinic™
